PROFESSIONAL NETWORK

Our structured business support is strengthened by trusted professional relationships that enhance our expertise and service capabilities.

Trusted Relationships • Professional Expertise • Reliable Support

OUR SERVICE ECOSYSTEM

**START → REGISTER → COMPLY → FUND →
GROW**

We organise the business journey into practical service areas so the client knows what is covered and who coordinates it.

#	SERVICE AREA	WHAT WE SUPPORT
01	COMPANY & BUSINESS REGISTRATION	Private Limited, LLP, Partnership and Proprietorship setup support; incorporation documentation; startup/business registration assistance.
02	TAX & STATUTORY REGISTRATION	GST, PAN/TAN, MSME/Udyam and other applicable registrations; documentation and process assistance.
03	DIGITAL & CORPORATE DOCUMENTATION	DSC support, director documentation, incorporation papers, business agreements and supporting corporate documents.
04	ROC & COMPANY COMPLIANCE	Annual ROC/statutory filing coordination, director compliance, company records and ongoing compliance support.
05	ACCOUNTING & TAX SUPPORT	Accounting coordination, GST and Income Tax compliance support, financial documentation and CA consultation where relevant.

WHY THIS MATTERS

Instead of engaging different people for every administrative step, the client gets one coordinated process with an accountable Amprix point of contact and professional support where required.

MORE THAN REGISTRATION

BUSINESS SUPPORT THAT CONTINUES AFTER INCORPORATION

#	SERVICE AREA	WHAT WE SUPPORT
06	LEGAL & BUSINESS SUPPORT	Business agreements, legal documentation, notices/replies coordination, legal consultation and business structure guidance through relevant professionals.
07	GOVERNMENT LOANS, GRANTS & SUBSIDIES	Eligibility-oriented guidance, scheme identification, project reports, financial documentation, application support and process follow-up.
08	BUSINESS LICENCES & REGISTRATIONS	Activity-specific licences, registrations, renewals and supporting documentation based on the client's business requirements.
09	PROJECT REPORT & FUNDING DOCUMENTATION	Business/project reports, financial projections, funding proposals and bank/institution documentation assistance.
10	STARTUP & BUSINESS GROWTH SUPPORT	Setup guidance, compliance roadmap, funding roadmap, documentation roadmap and ongoing executive coordination for agreed requirements.

THE CLIENT JOURNEY

01	ASSESS	Understand the business and identify requirements.
02	DOCUMENT	Prepare the required documents and scope.
03	EXECUTE	Coordinate filings, applications and professional involvement.
04	TRACK	Maintain status communication and follow-up.
05	CONTINUE	Support future agreed requirements after completion.

ACCOUNTABILITY BY DESIGN

YOUR BUSINESS. OUR RESPONSIBILITY.

For the agreed service scope, Amprix keeps responsibility visible: leadership provides oversight, assigned executives coordinate execution, and relevant professionals support specialist matters.

WHO	RESPONSIBILITY
DIRECTORS	Overall business leadership, accountability and escalation for the agreed engagement.
ASSIGNED EXECUTIVE	Primary coordination point: documents, requirements, status communication, follow-up and client actions.
CHARTERED ACCOUNTANT	Relevant accounting, tax and compliance professional support as required by the engagement.
LAWYER	Relevant legal documentation, legal review or consultation as required by the engagement.

OUR WORKING STANDARD

- ✓ Clear scope before execution
- ✓ Required documents identified
- ✓ Dedicated executive coordination
- ✓ CA / legal coordination where relevant
- ✓ Regular process and status communication
- ✓ Submission and follow-up tracking
- ✓ Continuing support for future agreed requirements

IMPORTANT FUNDING NOTE

Government loans, grants, subsidies and approvals remain subject to the relevant authority's eligibility criteria, documentation, appraisal and decision. Amprix provides guidance, documentation and process support; approval cannot be guaranteed.

A BUSINESS DEAL BUILT AROUND CLARITY

NOT A ONE-TIME TRANSACTION.

BEFORE WE START	Understand your requirement and identify the applicable process.
WE COVER	Scope • documents • deliverables • timeline expectations • professional involvement • fees
DURING THE PROCESS	Coordinate the agreed work and keep you informed of required actions.
WE COVER	Executive coordination • documentation assistance • follow-up • status communication
AFTER COMPLETION	Help identify the next requirements relevant to your business.
WE COVER	Compliance support • future documentation • funding/scheme support • ongoing assistance

WHY CLIENTS CAN WORK WITH US

- One accountable coordination structure • Professional support where relevant • Clear documentation trail • Practical follow-up • Long-term relationship model
